

About Our Founders

Vince D'Acchioli is the founder and president of On Target Ministries, a Christian outreach to men, pastors, and couples. In the past two decades, Vince's seminars, workshops and church services have touched the lives of tens of thousands of people across the United States and Canada.

Prior to founding On Target Ministries, Vince served as the Executive Vice President of Every Home for Christ, a worldwide missions ministry with offices in more than 200 countries. During the years leading up to this transition into full-time ministry, Vince functioned as the vice president of a Fortune 500 company involved in retailing, manufacturing, and wholesaling distribution.

Before moving to Colorado Springs in 1991, Vince was an elder and member of the church board at The Church On The Way in Van Nuys, California, pastored by Jack Hayford. Vince, along with his wife, Cindy, directed the ministry to married couples.

Vince also served as one of the teaching pastors at Woodmen Valley Chapel in Colorado Springs, Colorado for a number of years. In 2013 Vince served as Executive Pastor for Water Of Life Church in Fontana, California--a church of 16,000 members serving the Inland Empire.

In addition to being a gifted speaker for many secular and Christian organizations, Vince is known as a stimulating presenter. His sense of humor and dynamic motivational approach enable him to effectively communicate the principles of practical discipleship and balanced spirituality at home, work, church and community.

Vince has also authored a number of articles for both secular and Christian publications, and is the author of *Wired To Work*, Huntington House Publishers, available today at all the popular book web sites.

Vince and Cindy, married more than 49 years, have two daughters and six grandchildren. They reside in Monument, Colorado.
